Puerto Rico is the smallest of the Greater Antilles, but is huge in rhythm, fun and sunshine. It is the Caribbean's most visited tourist destination. San Juan extends beyond the walled city, and has casinos, resorts, parks, shopping malls, stores and beautiful beaches.

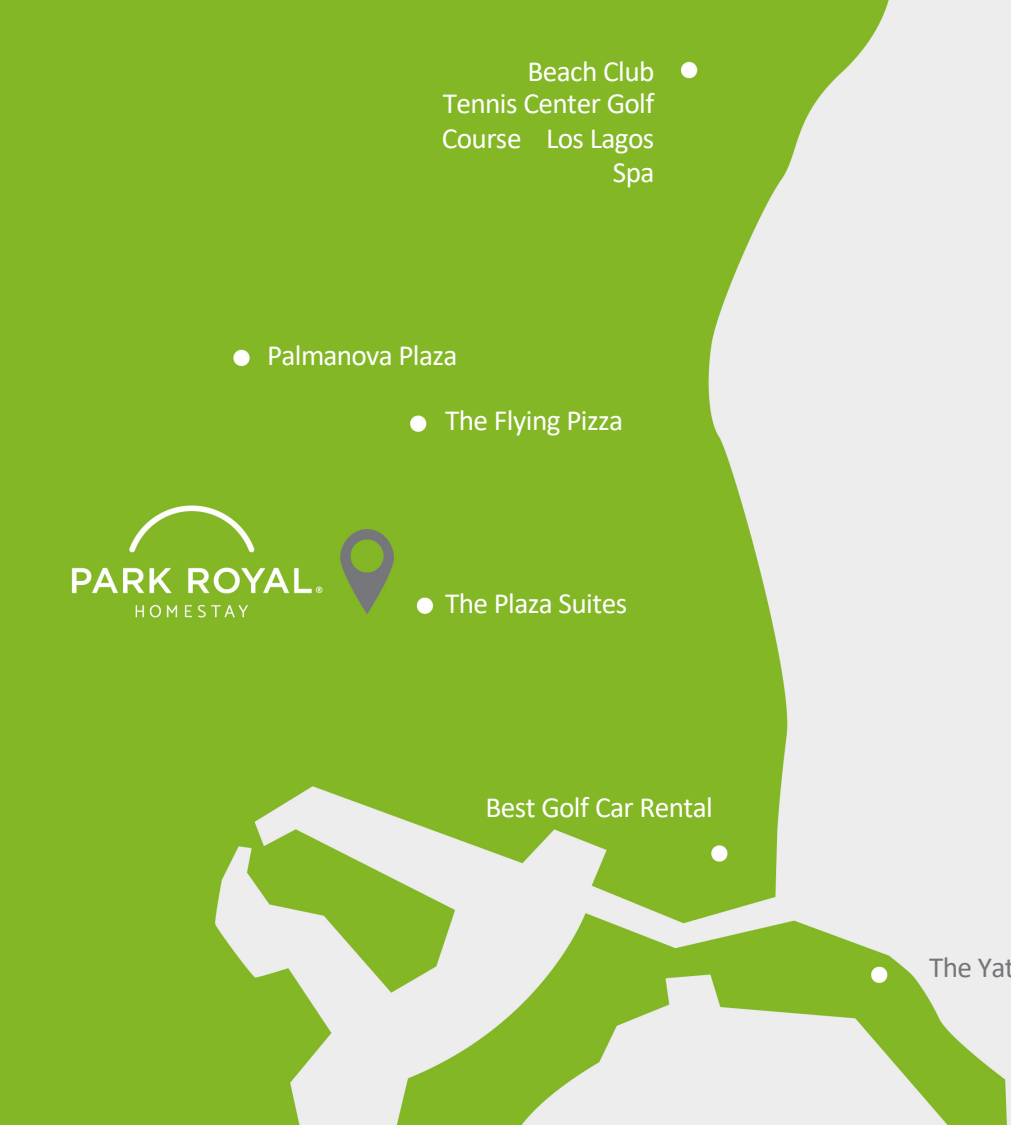

Park Royal Homestay Club Cala Puerto Rico is in Palmas del Mar Humacao, a colonial city on the east coast of Puerto Rico.

The hotel is a few meters from El Yunque National Forest, Luquillo Beach and Fajardo Bioluminescent Bay, as well as very close to Old San Juan historical attractions.

It has 104 equipped rooms, a pool bar; a convenience store with light breakfasts and freshly brewed local coffee.

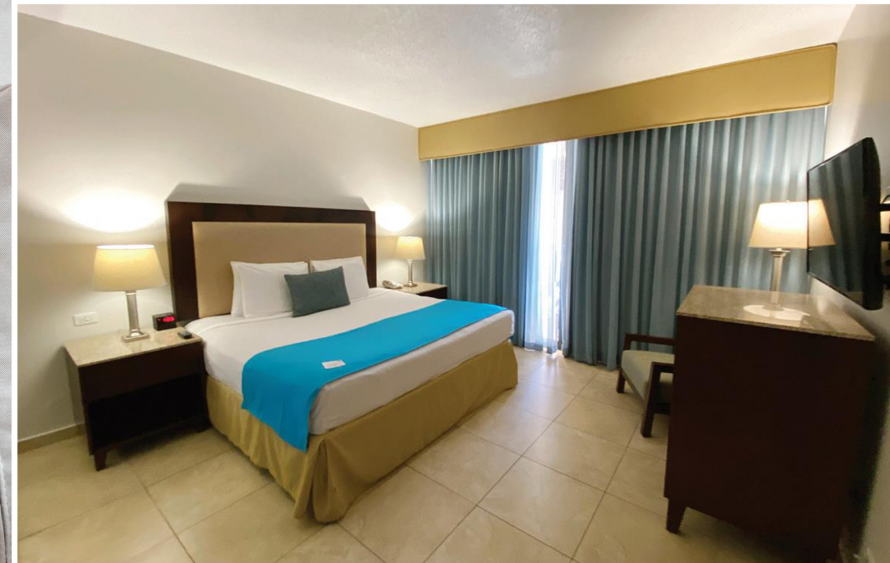

Park Royal Homestay Club Cala Puerto Rico is only 45 minutes from San Juan airport and within two golf courses, with tennis club, beach club, a fishing village, a marina, restaurants and beach.
